Dearest Madame/Sirs;

Powell County Medical Center has maintained its commitment to the human, financial, and structural resources required to achieve State of Montana "Trauma Receiving Facility" Designation.

This letter is intended to communicate our ongoing commitment to our community and the care of the critically injured in a regional trauma system through the leadership of Powell County Medical Center. In order to maintain this standard our clinical trauma staff have committed to the practice of evidence based medicine and research, the development of an inclusive trauma system in the state of Montana and the prevention and education of trauma.

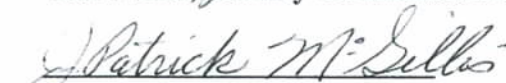

Very Truly Yours,

  
**Leighton (Lee) Jewell, President**

  
**Jack Anderson, Vice President**

  
**Eleanor Price, Secretary/Treasurer**

  
**Gail Jones, County Commissioner**

  
**Joseph (Pat) McGillis, Member**

  
**Alan Rome, Member**
